

Janis Jan Fischer

Frankfurt a.M., Germany • JanisFischer.com • [LinkedIn](#)

Education

GOETHE UNIVERSITY
Bachelor of Science – Economics and Business Administration
Track: Finance and Accounting

Frankfurt a.M., Germany
2023 – 2026

Experience

HOLLAND CAPITAL
Incoming Intern: Junior Investment Analyst – Private Equity

Düsseldorf, Germany
October 2026 – December 2026

COMMERZBANK AG
Intern: Analyst – Quantitative Derivatives Analysis

Frankfurt a.M., Germany
June 2025 – October 2025

- Analyzed and validated derivative valuations, performing value forecasts and plausibility analyses to ensure pricing and model consistency across exotic and structured products.
- Led a data quality project assessing transaction classifications and valuation methodologies; quantified potential exposure from incomplete data and proposed corrective actions.
- Conducted large-scale margining analyses to identify and assess valuation discrepancies within the initial margin framework using VBA and Power Query.

HELABA (Landesbank Hessen-Thüringen)
Intern: M&A – Acquisition Finance & Private Equity Fund Investments

Frankfurt a.M., Germany
March 2025 – June 2025

- Supported LBO financings for large-cap deals across the full credit process: client discussions, credit memos, presentations, term sheet negotiations, and disbursement.
- Evaluated fund performance and reporting within the bank's private equity fund investment (LP) program.
- Built LBO and cash flow models with scenario and sensitivity analysis.
- Prepared investment memos, company profiles, and market research for new opportunities.

VENTUS CAPITAL
Intern: Capital Advisory & Transaction Advisory

Munich, Germany
August 2024 – November 2024

- Originated and structured financing solutions across the entire capital structure, including senior, junior/mezzanine, and preferred equity instruments.
- Built financial models covering project analysis, cash flow, and profitability for informed decision-making.
- Supported the complete due diligence process from initial assessment to final disbursement, working closely with investors and alternative capital providers.

Volunteering

Frankfurter Inklusions-Sportverein e. V.

Frankfurt a.M., Germany

- Worked directly with children with cognitive impairments and behavioral challenges within a martial arts (karate) setting, using structured group activities to teach teamwork and collaborative problem-solving.
- Designed playful exercises to build group dynamics and cooperation among children with diverse developmental needs, fostering empathy and mutual understanding within the group.

Segler-Vereinigung Mannheim e. V.

Mannheim, Germany

- Elected youth representative, advocating for the interests of young members before the club's board and serving as a liaison between the youth department and club leadership.
- Supported the organization of youth training sessions and regatta training, contributing to the development of the club's junior sailing program.

Additional
